

Our Contributions to the COVID-19 Pandemic

Supported **40+ countries**, **138+ new IVD manufacturer partners'** responses to pandemic

Donated **over 3,000,000** immunoassay & PCR test materials

Provided test materials for **over 200,000,000 COVID-19 test kit manufacturing**

Products Available for Free Samples

Best Seller: Antibodies for Ag test

Suitable for Lateral Flow/ELISA/CLIA Assay Development

200g+ Products Supplied to IVD Market

Used for 100,000,000+ Test Kit Manufacturing

Others Include:

- N & S proteins for Ab test(Popular)
- Antibodies for Influenza A/B Ag test(Popular)
- Anti-SARS-CoV-2 fully human RBD IgM & IgG QC materials
- Antigens for NAbs test
- Secondary antibodies
- RT-PCR mixes
- Enzymes for PCR test
- Magnetic beads for DNA/RNA extraction
